## NEW LEFT AND BLACK EXTREMIST GROUPS

Reference is made to your letter dated March 4, 1969, concerning captioned matter.

In accordance with prior requests from the Internal Security Division, investigative reports concerning the Black Panther Party and the Students for a Democratic Society have been furnished your division. These reports have set forth all pertinent information which could be utilized by the Department in any proceedings instituted under Executive Order 10450. It is believed that these reports will provide an adequate basis for a determination to be made regarding the desirability of instituting proceedings and it is, therefore, not considered necessary to prepare prosecutive summary reports at this time. In the event you desire to be informed regarding the availability of any of the informants or other individuals who furnished information contained in the aforementioned reports, this Bureau will, of course, make such a determination upon request.

In the event legal proceedings are instituted against the Black Panther Party or the Students for a Democratic Society, consideration will be given at that time as to the desirability of furnishing electronic coverage material to the defense in furtherance of those proceedings.

SUBJECT: STUDENTS FOR A DEMOCRATIC SOCIETY  
INTERNAL SECURITY - STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS) has been planning for several months to hold a National Council Meeting at the University of Texas, Austin, Texas, from March 27 through 30, 1969. On March 14, 1969, the Board of Regents at the University of Texas refused to grant use of University facilities to SDS for holding this meeting.

SDS national officers subsequently made plans to hold the National Council Meeting at the University of New Mexico in Albuquerque. Through counterintelligence tactics employed by the Albuquerque Office, officials at the University of New Mexico refused to allow the National Council Meeting to be held on the campus. Additional plans by SDS to hold the meeting elsewhere in Albuquerque met with failure.

SDS has now decided to hold the National Council Meeting in Austin, Texas, however, the exact location in Austin has not been decided upon. National officers and SDS representatives in Austin are continuing to look for a suitable site for the meeting and it is expected that anywhere from 350 to 700 SDS members and members of other subversive organizations will attend.

## OBSERVATIONS:

We have approved the sending of a number of informants to this National Council Meeting in an endeavor to obtain all pertinent data concerning the future plans and programs of this most militant and anarchistic youth group. There will undoubtedly be a number of workshops held in conjunction with the meeting and informants are being instructed to penetrate as many of these workshops as possible. Pertinent data concerning the meeting will be furnished the White House, pertinent Government officials and other interested Government agencies.

The militant, revolutionary youth group, Students for a Democratic Society (SDS), has just concluded a National Council meeting held at the Catholic Youth Center, Austin, Texas, 3/27-30/69. There were reportedly in excess of 1,000 individuals present with approximately 190 of this group designated as delegates.

Stringent security procedures were adopted and no cameras or tape recordings were allowed. A number of individuals representing the Communist Party, Young Socialist Alliance (youth affiliate of the Trotskyite Socialist Workers Party) and Progressive Labor Party (PLP) were present. Consistent with previous endeavors PLP made an attempt to take over SDS and to set forth its programs but was defeated.

Michael Klonsky, SDS National Secretary, stated "Our primary task is to build a Marxist - Leninist revolutionary movement" and this theme prevailed during the meeting. Klonsky's belief in revolutionary communism is now typical of the beliefs of most of the leaders and many members in SDS today.

Additional stress was made concerning the role of racism and support of black nationalism. Resolutions affirming the correctness of Ho Chi Minh leadership, National Liberation Front leadership and support of China against Russia in their Damansky Island fight passed.

Because of other pressing matters, the Winter - Spring Offensive (Smash the Military Machine in the Schools) was eliminated from the agenda, however, SDS leaders continued to attack the U. S. as an imperialistic and racist state that must be destroyed and continued to push for control of universities.

Details concerning the council meeting are being set forth in a Current Intelligence Analysis which will be disseminated to the White House, other high Government officials, and other interested Government agencies.

The following comments, for the information of the Bureau, are determined pertinent inasmuch as they relate to the questions of national membership and funds:

It will be noted that the Chicago Police Department, Intelligence Division, recently advised that WILLIAM MC CANN, of the House Committee on Internal Security (HCIS), had recently contacted them with respect to gathering information for use in hearings to be held some time this year on SDS. With respect to membership, the Chicago PD was unable to furnish any known lists to HCIS nor provide them with any information on SDS funds. It is presumed that HCIS will be making such attempts with other governmental agencies throughout the country in the coming months.

Funds

*ILL  
TEXAS*

During the proceedings of the recent NC meeting, TIM MC CARTHY of the National Office staff reported that SDS is finding it more difficult to find enough "angels" to furnish funds for the organization and complained because of the fact that the staff members are only receiving \$15 per week for wages rather than the \$30 per week that they were supposed to be paid. He noted that it costs upwards of \$400 a week to print "New Left Notes," which does not account for the mailing expenses. He also made an appeal for funds and it was noted that the response at the NC meeting to this appeal of any substance came from "rich chapters," such as the one at Harvard University.

B1

The above is submitted for the information of the Bureau. The Chicago Office has every intention of giving these two aspects to the national investigation of SDS close attention in the coming months and where information of a pertinent nature is developed, such will be immediately brought to the attention of the Bureau.

On April 9, 1969, a source who has provided reliable information in the past advised that a rally was scheduled for the night of April 9, 1969, at a church located at 201 South Ashland, Chicago, Illinois. and this rally was jointly sponsored by the Black Panther Party of Chicago and the Students for a Democratic Society. The alleged purpose of the rally is for the financial benefit of eight individuals indicted in the United States Government's case arising from the disturbances accompanying the Democratic National Convention in Chicago during the summer of 1968 and which defendants were to be arraigned in the United States District Court, Chicago, Illinois, on April 9, 1969.

A second confidential source who has provided reliable information in the past advised that a rally was held from 7:40 p.m. until 10:25 p.m. on the evening of April 9, 1969, at 201 South Ashland. Source stated that there were approximately 500 persons in attendance, 100 of which were white and the remainder Negroes or persons of Latin American extraction. There were eight speakers,

all of whom represented various Chicago organizations and each of whom spoke on the organizational membership and activities of their respective groups as well as promoting unity among the groups and the backing by their groups of the BPP. The source identified the speaker as Bobby Seale, one of the defendants in the above-mentioned Government case, and who is also the chairman of the BPP. Seale spoke on the organizational activities and membership of the BPP but he did not make any comment on his pending case in the United States District Court. Other BPP members that spoke were Bobby Rush and Fred Hampton of the BPP.

Source stated that speakers representing SDS, the Young Lords, the Black Disciples and the Young Patriots, all Chicago youth organizations, each spoke briefly concerning their organization and their support of the BPP. BPP books, pamphlets and papers were on sale and at the close of the rally a collection was taken and the announced purpose of the collection was for the financial benefit of the eight defendants in the Government's case.

A third source who has also provided reliable information in the past advised on April 9, 1969, that a rally was held at the Church of the Epiphany, 201 South Ashland, Chicago, Illinois, on the night of April 4, 1969. Source identified the first speaker as Ed Jennings, SDS, Chicago Region Staff, who spoke concerning the support that SDS will give the BPP which Jennings described as the "vanguard of the revolution." Jennings stated in his speech that SDS will hold rallies for the benefit of the BPP as well as promoting membership in that organization.

Source identified Jose Jiminez as the next speaker and who is the leader of the Young Lords, a Puerto Rican Youth Gang in Chicago. Jiminez spoke about the BPP and the support the Young Lords would give this organization. The source advised that other speeches were given by representatives of the Young Patriots and the Black Disciples, both of whom pledged their support

and their organization's support of the BPP and their continuing fight against the "establishment."

Source stated that the BPP members who spoke included Bobby Seale, who directed his comments concerning much of the BPP's problems in other parts of the country including comments concerning shootings in Oakland, California, and the recent arrests of BPP members in New York. Seale stated that he hoped to get 100,000 people on the streets in Chicago, evidently referring, not specifically to BPP members, but just supporters of all of the organizations represented at the rally.

Source identified Fred Hampton and Bobby Rush as the last two speakers and Hampton commented that "Panthers" who are facing local charges both in Chicago and around the country had no intentions of going to jail but were going to carry the fight against the police and the "establishment" into the streets with the support of other organizations.

Prior to the collection which terminated the rally, Bobby Rush commented that if Jesus Christ would return to earth this night, he would be on the side of the Revolutionaries and would give support to the BPP.
